“My time at NPS taught me to look at problems from a big picture perspective. I highly recommend that any military officer with the opportunity attend NPS. In an organization as large as the military, the more senior you become, the more you realize graduate-level education is a requirement.”

CAPT Cedric Pringle, USN

**Education:**
B.S. Economics
University of South Carolina

M.S. National Security
Naval Postgraduate School

**Current Job:**
Commanding Officer USS Makin Island (LHD8), February 2010
